Hello ES Parents!

Thank you very much for your interest in The Endocrine Society children's program. Our goal is to provide your children with a program *they* want to attend, while providing you with that critical "peace of mind" feeling so you can attend event activities.

KiddieCorp is pleased to provide a children's program during ENDO 2010. KiddieCorp is in its twenty-fourth year of providing high quality children's programs and youth services to conventions, trade shows and special events. We take watching your children very seriously. KiddieCorp has enjoyed a long-time partnership with the American Academy of Pediatrics, which has helped to establish KiddieCorp as a premier provider of event children's program services.

ACTIVITIES - Splash Bash Beach Party

Activities include exciting themes, arts & crafts, group games, music & movement, board games, story time, dramatic play, etc. We provide activities appropriate for each age group, using safe, sturdy equipment that you can feel comfortable with. Children can make their own choices within KiddieCorp's program.

What would San Diego be without a wild and crazy beach bash?! Let's take off our shoes, imagine our toes in the sand and boogie to KiddieCorp music mix. Who knew games like limbo, and musical beach towels could be so fun? We'll create our very own sun visors, colorful seascape collages, and construction paper palm trees as souvenir arts & crafts projects. For those of you on the wild side, don't forget to get your own ink done, with a temporary tattoo that is. How about kicking back and relaxing on beach towels while enjoying story time. Gigantic beach balls, play tunnels, and tropical fish make excellent decorations so all we'll be missing are the sunburns!

COMMITMENT

Our goal is to provide your children with a comfortable, safe and happy experience. Our staff to child ratios are high to ensure that every child feels special (1:2 for children ages 6 months through 11 months old; 1:3 for children ages 1 through 2 years old; 1:5 for children ages 3 through 12 years old). KiddieCorp team members are selected according to their integrity, experience, education and enthusiasm. They must be wonderful with kids! You will feel extra secure knowing that the KiddieCorp team is bonded and that we carry ample liability insurance.

WHERE, WHEN, FOR WHOM

The program is for children ages 6 months through 12 years old. The dates for the program are June 19-22, 2010 and will be located at the San Diego Convention Center in San Diego, California. Snacks and beverages will be provided and meals must be supplied by parents each day.

See the attached registration and consent form for event information. **The advance registration deadline is May 21, 2010.** Register early as availability is limited and handled on a first-come, first-served basis.
